

Kathy Dye

Author and Inspirational Speaker

LIFE IS OUR STORY.

Kathy Dye is a retired elementary school teacher who holds a Master of Education in Curriculum and Instruction. After teaching creative writing for several years, Kathy developed an even stronger passion for becoming a writer. Kathy brings her insight of many years teaching children in school, leading Bible classes, as well as being a mother and grandmother.

Kathy's first published book, *A Song in Her Heart*, was written after she witnessed the devastating effects of Alzheimer's disease on her mother. Kathy and her siblings searched for ways to connect with their mother and discovered that music was the best form of communication.

Kathy donates 10% of all book proceeds to the Alzheimer's Association.

EVENTS

It would be my privilege to come to your church or women's study group and speak. I can read and discuss my book, *A Song in Her Heart*, or speak on topics you feel are needed. Some topics I have already developed are listed below.

- Forgiveness
- Holding On
- Choices
- Psalm 71
- Mary, mother of Jesus
- The Miraculous Journey of Love
(Retreat format)
- Women of the Bible
- In Search of Joy
- Blessings

In some presentations I may use drama. You can also meet my alter ego, Gertie, who entertains with everyday humor. Find her on my website.

At this time, I am asking that my travel be paid and preferably a location within a day's drive. For more school related topics and events, download my school media kit from my website.

I look forward to working with you.

Sincerely,

 *Kathy Dye, Author*

CLIENT FEEDBACK

Kathy has delivered messages for our church, spoken at Ladies' Day events, led bible studies for women, and mentored me personally.

Kathy is full of wisdom and uses her life experiences to relate to and inspire others. Her patient manner makes her easy to talk with and you can tell by her warmth that she genuinely cares about others.

She has shared scripture with me years ago that I still rely on today.

Anyone would be blessed to hear her speak. God has put a message in her heart that needs to be shared.
