

KIT KAT CAMP - NO ELECTRONICS!

Written By Kathy Dye

Illustrated By 1000 Storybooks

Hi, I'm Zoey. I used to think 'Kit Kat Camp' was the worst idea ever. Who wants to spend a summer without electronics, right? But my Grandma Kit Kat taught my brothers and I how to travel to exciting places with our imaginations. Together, we built pillow forts, hunted for buried treasure in the back yard, made up stories about talking animals, and went to space! Now I know that the best games aren't found in an app store but in my own mind.

Discover the enchanting world of Kit Kat Camp, where Zoey's transformation from a screen-loving skeptic to an imagination-fueled adventurer will inspire children of all ages to embrace the magic of creativity!
